CONFIDENTIAL

DIRECTORATE OF ADMINISTRATION

CONFIDENTIAL

Office of the Deputy Director for Administration

Overall Functions

The Directorate is responsible for providing support to all Agency intelligence, operational, and related activities. The Deputy Director for Administration (DDA) provides guidance and counsel on administrative matters to the DCI and DDCI, the Executive Advisory Group, and the other Deputy Directors. He provides leadership and direction to the Directorate of Administration office heads.

Executive Officer

Performs the vital function of managing the flow of paper that concerns the Office of the DDA, assigning action requirements to staff elements or the offices of the Directorate, establishing suspense dates and monitoring those dates. Acts in the capacity of Executive Officer for the Office of the DDA and the Directorate and as Executive Assistant to the DDA and ADDA.

Special Support Assistant

Ensures adequate, proper, and timely support to the Operations Directorate. Serves as the focal point for the Deputy Director for Administration and the Deputy Director for Operations for the resolution and coordination of support problems of mutual concern.

Assistant for Information

Has general oversight responsibility for all of the information elements of the DDA staff: the Information Systems Analysis Staff, Information and Privacy Staff, and the History Staff. Serves as the overall Agency focal point officer for matters affecting the Agency under the amended Freedom of Information Act of 1974 and the Privacy Act of 1974. As such, participates in the development of Agency policy with regard to public release of Agency information.

Information Systems Analysis Staff

Responsible for the Agency-wide records management program that covers records administration; micrographics and word processing activities; classification and systematic review for declassification of Agency records; editing, coordinating, and publishing of Agency regulatory materials; and management of the Agency Archives and Records Center.

Information and Privacy Staff

Serves as the focal point within the Agency for receiving Freedom of Information, Privacy, and E.O. 11652 declassification requests; tasks action components; arranges for necessary intra- and inter-agency coordination; prepares responses;

and maintains appropriate records of each transaction.

CIA History Staff

Maintains the Historical Documents Index concerning the Agency's institutional growth; maintains the collection of published Agency histories; provides support of an historical nature to internal requesters; and provides ongoing support to historical offices of other government agencies. ~~To the extent possible, conducts research and writes history of various major Agency activities.~~

Career Management Staff

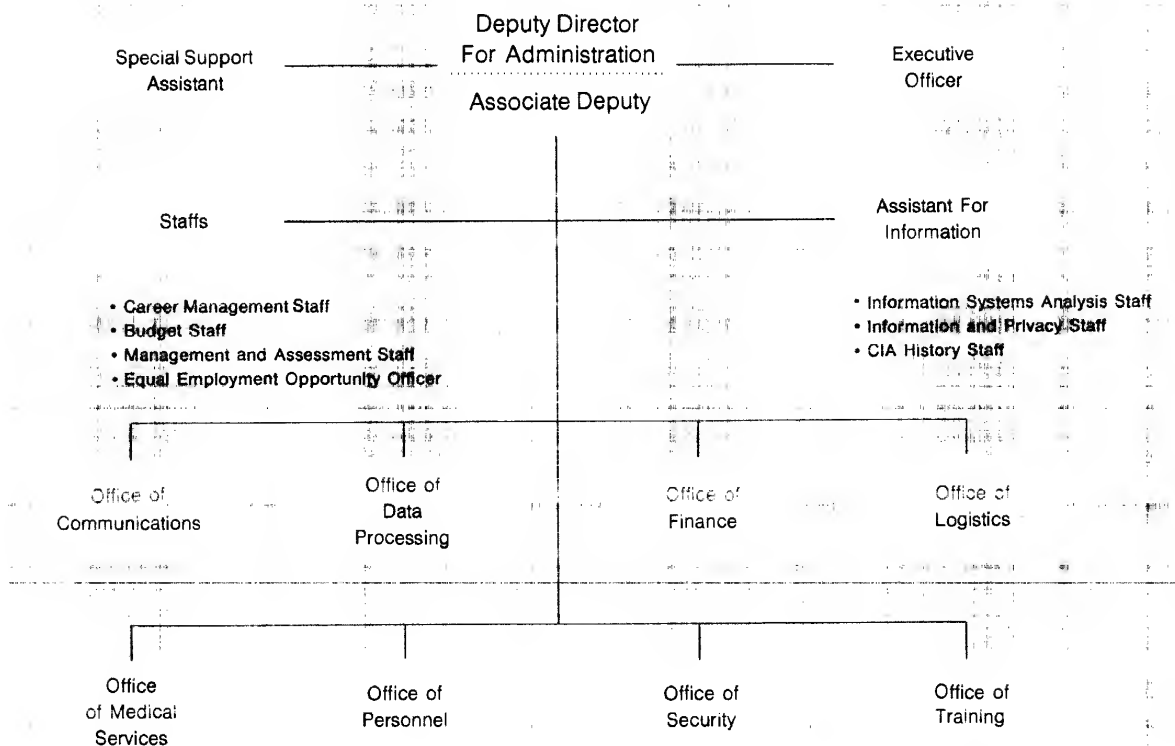

Prepares policy and makes recommendations concerning the training, assignment, rotation, and promotion of DDA careerists. Acts as the focal point for a variety of personnel matters affecting the Directorate and coordinates Directorate clerical functions.

Budget Staff

Provides staff guidance on the preparation of Directorate Programs and Budgets and conducts budgetary liaison with the Office of the Comptroller and the budget and program staffs of the Directorate Offices. Recommends allocation and reallocation of resources within the Directorate.

CONFIDENTIAL

DIRECTORATE OF ADMINISTRATION

CONFIDENTIAL

**Office of the Deputy Director for
Administration (Continued)**

Management and Assessment Staff

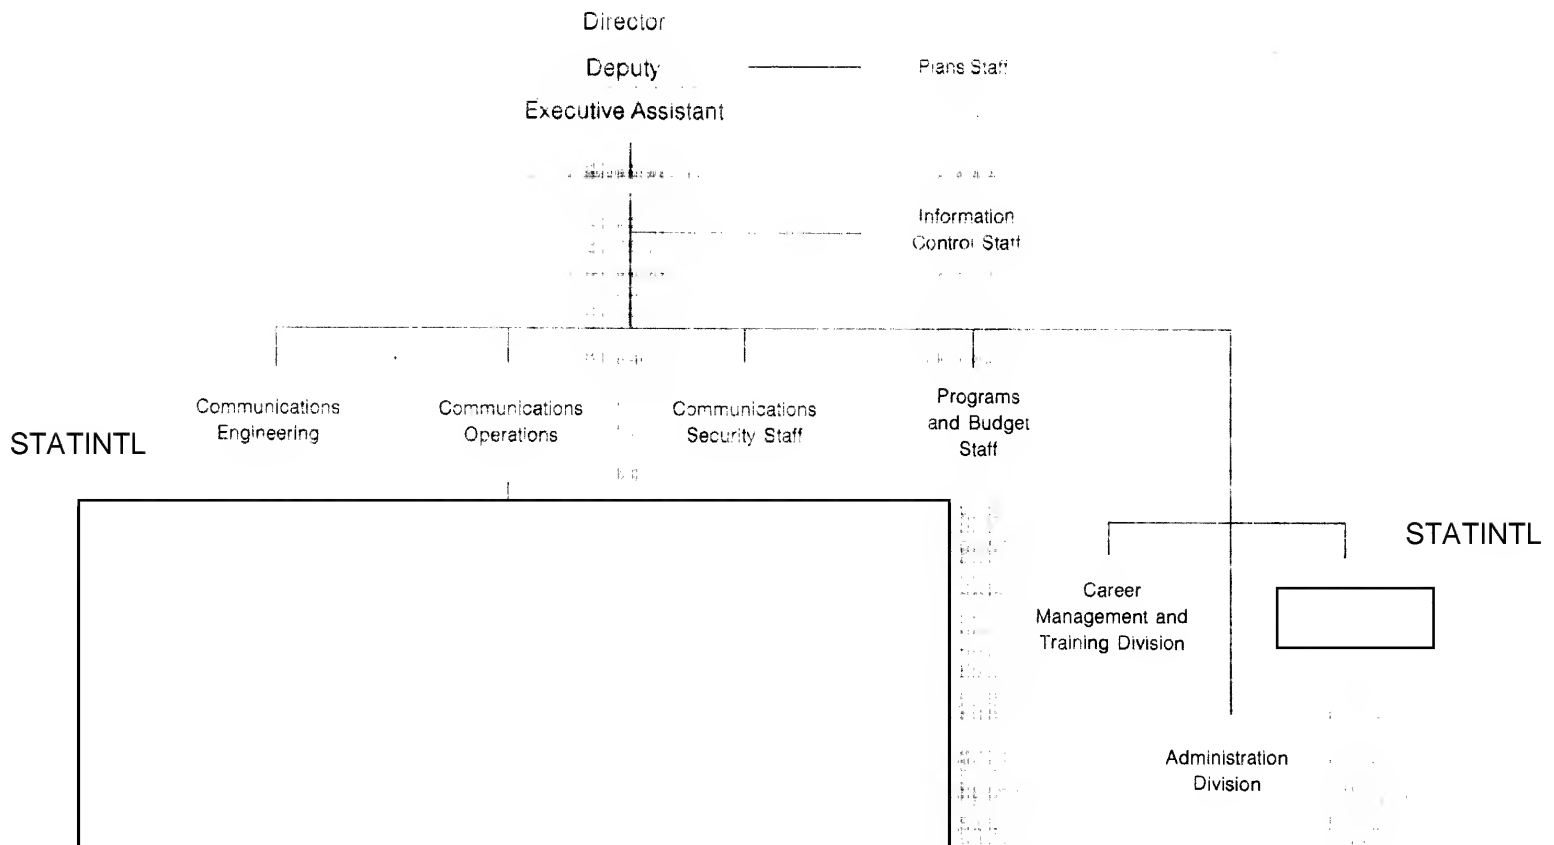

Provides staff guidance to the DDA in managing the activities of the Directorate; assists in developing objectives, monitoring progress and assessing performance of the Directorate Management by Objectives program; and edits the DDA Exchange quarterly magazine.

Equal Employment Opportunity Officer

Develops and initiates programs and efforts that are designed to aid the career development of DDA employees, especially those who are in unfair or disadvantageous employment positions because of their race, sex, religion, national origin, language or physical handicap.

CONFIDENTIAL

OFFICE OF COMMUNICATIONS

CONFIDENTIAL

Office of Communications (OC)

Overall Functions

Plans, manages and operates a worldwide narrative message communications network to serve Agency Headquarters and field installations. As a member of the National Communications System (NCS), the Agency network provides message service to other members of the U.S. foreign establishment.

Coordinates Agency communications security requirements, conducts liaison with the National Security Agency on specialized COMSEC requirements, issues and controls cryptographic material, implements the Agency's emanations security program for all electronic and electro-mechanical equipment used to process classified information.

Provides personnel to assist in the provision and maintenance of equipment and facilities essential to the Agency's foreign electronic communications intercept program.

Operates and maintains certain facilities and provides communications security support to clandestine communications operations.

Provides and operates unprotected and secure telephone facilities in the Headquarters area and provides secure telephone service to a limited

Communications Operations

Plans and implements programs and activities as required to establish, manage and regulate networks for command, record, secure voice, data and facsimile communications. Conducts customer liaison and provides covert base station support for OTS. Prepares and disseminates communications procedures and instructions.

Communications Areas

Communications Area Headquarters have the same missions and roles and perform the same functions as detailed above for the Headquarters organizational components but on a reduced scale. A Communications Area consists of the area staff, base radio and relay stations and communications officers providing service directly to stations and bases within the geographical area.

Communications Engineering

Plans, designs, programs, budgets, procures and implements all communications systems and equipment required to provide a reliable and secure Agency communications network.

Provides technical guidance, support, liaison and coordination for the engineering of all domestic and overseas staff communications activity.

Provides technical and logistical support for the staff communications network.

Career Management & Training Division

Formulates OC personnel management policy and evaluates the effectiveness of those policies.

Manages the majority of career actions for Office of Communications personnel. 25X1A

Manages and operates [redacted] and manages Office-wide personnel programs such as external training, EEO, upward mobility, FUST and Honor and Merit Awards. 25X1A

Administrative Division

Plans, develops, coordinates and administers support programs and services for OC components at Headquarters, [redacted] and overseas. These support programs and services include finance, personnel, logistics (non-technical), cover and security (non-crypto). 25X1A

Communications Security Staff

Provides COMSEC material and techniques required for secure communications. Serves as the Agency COMSEC advisor and contributes to formulation of national COMSEC policy.

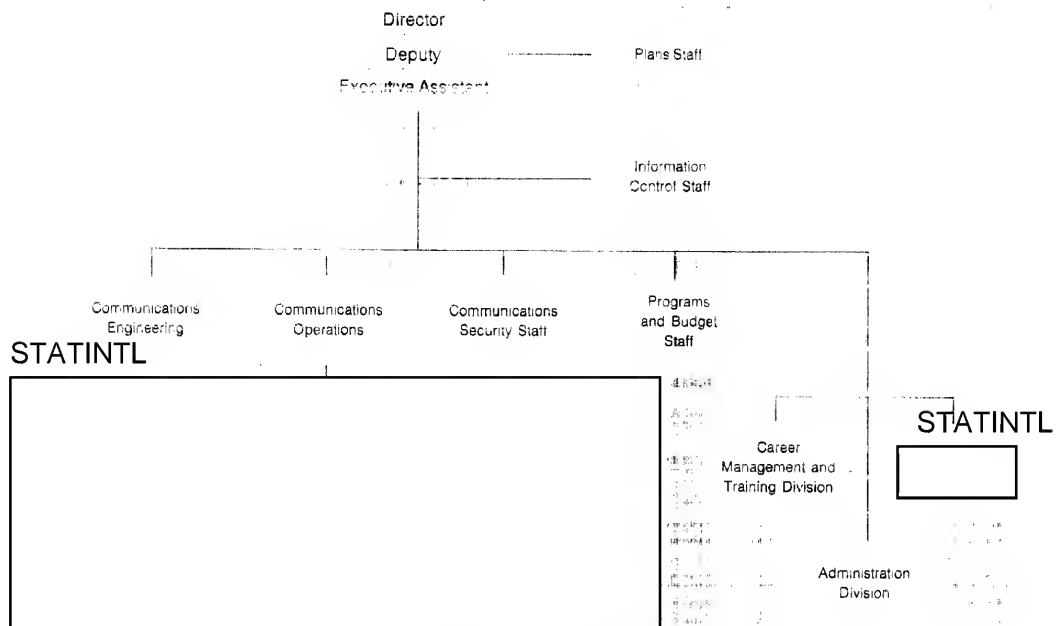

Performs TEMPEST/EMSEC testing and COMSEC evaluation of all electronic and electro-mechanical equipment used for processing classified information. Manages the OC safety and health program.

OFFICE OF DATA PROCESSING

CONFIDENTIAL

Office of Data Processing (ODP)

Overall Functions

Provides centralized computer services to all components of the Agency.

Advises the Director and staff on matters pertaining to Automatic Data Processing.

Reviews and approves Agency proposals for acquisition of computer equipment, software, and

Executive Officer

Serves as ODP office manager performing a wide range of administrative, representational, briefing, and special project-oriented tasks for the Director, ODP. Serves as ODP Equal Employment Opportunity Officer and Career Development Officer.

Administrative Staff

Provides support for personnel, logistics, training, document control, travel, records management, and other ad hoc administrative functions.

Management Staff

Provides short- and long-range planning, budgeting and programming. Develops, coordinates, recommends, and promulgates office policy. Acts as ODP comptroller and provides financial management and services. Exercises staff supervision over ODP activities. Reviews Agency proposals for acquisition of computer equipment, software and services.

Special Projects Staff

Responsible for the analysis of requirements for the development of unique or dedicated computer processing systems, including management and technical support required for implementation. Provides CIA staffing for the joint CIA/DIA Consolidated SAFE Project Office (CSPO).

Consolidated SAFE Project Office

system to support improvement in the timeliness, quality, and effectiveness of intelligence data. The Project Office is physically located in CIA under the administrative control of the Director of Data Processing.

Deputy Director for Processing

Ensures the availability, reliability, and stability of ODP computer and terminal hardware. Operates the Ruffing Computer Center, the Special Computer Center and remote Data Access Centers (DAC's). Manages the acquisition, configuration, and maintenance of ODP computer systems and related communications terminal equipment. Provides consultation and assistance to users of ODP computer systems.

Provides data conversion, production control, and reports distribution services.

Support Staff

Provides administrative and planning support to DD/P/ODP.

Customer Services Staff

Provides users with a central point within Processing for information, problem resolution, and consulting. Services include problem determination, language assistance, performance improvement, conversion aids, advice on available facilities and techniques, and assistance in obtaining other ODP services.

Production Division

Ensures that production applications are processed accurately and on schedule. Provides data conversion services.
